at our church on

Mike & Lisa Long

Vanuatu

After three AIM assignments to Botswana and Vanuatu, Mike and Lisa Long were appointed missionaries to Vanuatu in 2001. They were sent to reestablish the church in Luganville, to reopen Zion Training Center (a pre-Bible school) and to establish new works. In Vanuatu's Northern District, they pioneered two new churches in Luganville, established three preaching points in nearby villages, and there are eight new churches in the Northern District. They reopened Zion Training Center and have seen twenty-five students receive the Holy Ghost. Twelve students are presently attending ACTS II Bible School in the capital city. Lisa teaches Sunday school seminars in several of the islands as well as full time at Zion Training Center.
